Operations )

Case No. AP-95-55

By application filed November 28, 1995, Phoenix Limousine & Tour Company, a District of Columbia corporation, seeks a certificate of authority for irregular route operations in vehicles with a seating capacity of less than 16 persons only, including the driver.

Notice of this application was served on November 29, 1995, in Order No. 4709, and applicant was directed to publish further notice in a newspaper no later than December 11, 1995. On December 28, 1995, applicant filed a change of address with the Commission and advised the Commission that said notice was not timely published because the move delayed delivery of Order No. 4709 until December 12.

A new publication deadline shall be established. Applicant is admonished to promptly notify the Commission of any future change of address. A new deadline shall also be established for filing an amended Exhibit D which omits any reference to Baltimore-Washington International Airport (BWI).

THEREFORE, IT IS ORDERED:

1. That applicant shall publish once in a newspaper of general circulation in the Metropolitan District, no later than January 16, 1996, notice in the form prescribed by the staff of the Commission.
2. That applicant shall file with the Commission, no later than February 5, 1996, an original and four copies of an affidavit that notice has been published as required in the preceding paragraph.
3. That applicant shall file with the Commission, no later than January 16, 1996, an original and four copies of an amended Exhibit D which omits any reference to BWI.
4. That the deadline for filing protests, comments, applications for intervention, and requests for formal hearing, is February 5, 1996, and that copies must be served on applicant's President, Felix E. Roberts, 930 M Street, N.W., Washington, DC 20001.
